

Welcome to the 16th Annual Meeting of the Finnish Atherosclerosis Society May 11.-12. 2022 at Haikko Manor, Porvoo

The annual conference of the Finnish Atherosclerosis Society (SATY ry) 2023 will be organized at the [Haikko Manor Hotel](#), Porvoo, Finland. The meeting will start at 1 pm on Thursday May 11 and end at 4 pm on Friday May 12th.

The theme of the conference is '**Metabolic risk factors predisposing to cardiovascular diseases**'.

Plenary lectures:

Chris Packard (Glasgow University, UK): 'Metabolism of triglyceride-rich lipoproteins in health and dyslipidaemia'

Samuli Ripatti (FIMM, Helsinki): 'Genetic influences in detailed lipid profiles and their role in cardiometabolic disease risk'

Anne Langsted (University of Copenhagen, Denmark): 'Remnant cholesterol and cardiovascular risk'

Kirsi Pietiläinen (University of Helsinki): 'Adipose tissue dysfunction in obesity'

Oral and poster presentations will be selected from the abstracts, giving young researchers the opportunity to present their exciting research. The conference represents a broad spectrum of basic, translational, and clinical research ranging from cellular lipid trafficking and lipoprotein metabolism to genetic causes of cardiovascular disease. You can shape the final program by submitting an abstract.

Conference registration, dinner on Thursday evening, and lunch on Friday are free of charge for SATY ry members affiliated with a university or an academic research institute. Company representatives are asked to pay 70 € (without dinner) or 150 € (dinner included) to cover the costs.

All participants, who wish to stay at Haikko are required to book and pay for their accommodation. Accommodations should be booked online: www.haikko.fi with code ALLSATY before April 20th. The reservation system will open on February 6th. A limited number of rooms are available, and the room prices are:
